Hon. Stephen Minot, Associate Justices.

In open Court here, being a Court of Record for said Circuit, proceeding according to the course of the common law, with a jurisdiction unlimited in point of amount, keeping a record of its proceedings, and having the power of fine and imprisonment, Obadiah Badger resident in said Circuit, who is named in Pension Certificate No. 2645 now in his possession, of which the following is a true Copy, to wit,

I Obadiah Badger of Amesbury testify and say that I am a blacksmith by trade—that by reason of very advanced age (being now between eighty & ninety years old) I have for some time past been unable to labor – that my wife Mary Badger is also very aged and infirm and confined to the house a great part of the time by a bilious and rheumatic affection—that my daughter, Marian Badger, the only child usually residing with me, is about fifty years of age, a person naturally of small capacity, though industrious is scarcely able to support herself—that was it not for my revolutionary pension I must now be, as I heretofore have been entirely dependent on the said town of Amesbury for support.

And I do further heartily and sincerely testify and declare that I enlisted and served as a private in the army of the revolution as set forth in my declaration of April 1st 1818, now on file in the office of the war department at Washington. (Signed)
Obadiah Badger
