

## Pension Application for Marshal Baremore

S.23113

Original Claim. Declaration in order to be placed on the pension list under the act of the 18<sup>th</sup> March 1818.

County of Genesee. SS

On this fifteenth day of October in the year of our Lord one thousand eight hundred and twenty eight hundred and twenty eight personally appeared in open court being a Court of Record for the County of Genesee, Marshal Baremore resident in said county aged sixty nine years, who being first duly sworn according to law doth depose and say & on his oath make the following declaration in order to obtain the provision made by the act of Congress of the 18<sup>th</sup> March 1818 & the 1<sup>st</sup> of May 1820. That he the said Marshal Baremore enlisted for a term which he can not now recollect, but verily believes it was for nine months or more on or about the first of April 1776 at Dover in the County of Dutchess in the State of New York in the company commanded by Capt. Childs in the Regiment commanded by Col. Henry B. Livingston in General James Clinton's Brigade in the line of the State of New York on the New York Continental Establishment. That he continued to serve in the said corps until the 14 day of March 1777 when he was discharged from service at Fort Montgomery in the State of New York; that he hereby relinquishes every claim to a pension except the present. That his name is not on the roll of any state except ;New York, and that the following are the reasons for not making an earlier application for a pension—about nine years since he made a declaration before Judge Atwater one of the Judges of the Court of Common Pleas of Ontario County in the said State of New York for the purpose of obtaining his pension; but his papers after being sent to the war department & examined were returned to him & refused for want of proper proof of the service that he did not know where to obtain such proof for a considerable time & did not discover the proof until about the time that the annexed affidavits bear date and since that time he has been “a considerable portion of the time too feeble & unwell to attend to the application and besides so entirely destitute of pecuniary means or friends as to render it impossible for him to adopt the necessary means to obtain the pension & that after having failed in one attempt he became discouraged & concluded that if he could sustain himself through the remnant of his life he would not renew the application.

And in pursuance of the act of the 1<sup>st</sup> of May 1820 I do solemnly swear that I was a resident citizen of the United States on the 18<sup>th</sup> day of March 1818 and that I have not since that time by gift, sale or in any manner disposed of my property or any part thereof with intent thereby so to diminish it as to bring myself within the provisions of an act of Congress entitled an act to provide for certain persons engaged in the land and naval service of the United States in the Revolutionary War, passed on the 18<sup>th</sup> day of March 1818 and that I have not nor has any person in trust for me any property or securities, contracts or debts due to me nor have I any income other than what is contained in the schedule hereunto annexed by me & subscribed. There is no material alteration in my pecuniary circumstances since 18<sup>th</sup> March 1818 as to the amount and value. I can not say whether my property is worth more or less now than it was then. I have no family except a wife who is almost continually unwell & had been for twenty five years. She is able to do but very little & frequently for a considerable time nothing at all—I am quite infirm from the debilities of age and a Rheumatic complaint & besides nearly blind so that I can do but little towards supporting myself and wife.
