State of New York

County of Jefferson SS.

On this 2d day of April 1852 before the subscriber a Justice of the Peace in and for the County aforesaid personally appeared John Kennedy a resident of the town of LeRoy in the County and State aforesaid who first being duly sworn according to alw deposes and says that he is sixty years old the 7<sup>th</sup> of May next and is the son of John Kennedy who was a private in the war of the Revolution in the New York Line and enlisted for and served during the war in captain Wrights Company 2 New York Regiment commanded by Col. Philip VanCortland for which service he received Lot no 84 in Manlius New York containing 600 acres.

He has seen the Patent for this Land often and he has often heard his father describe his service but the names of his officers as above stated are upon information.

He further says that according to the family history and according to the record now in the possession of his sister Sarah spencer of Gaines, Orleans County, New York, his father the said John Kennedy was born in Kellerson County of Down in Ireland the 14<sup>th</sup> of April 1749 [this varies from the records in the family bible], and died in Broadalbin Montgomery County New York on the 10<sup>th</sup> day of June 1831.

That on the 16<sup>th</sup> of November 1778 he married Hannah Olmstead whom he left a widow at his death & who remained his widow without intermarriage the remainder of her life and died in the town of Gaines in the County of Orleans New York on the 3d day of May 1846. She was born in Ridgefield Connecticut as he believes on the 6<sup>th</sup> day of May 1753. Their eldest child Rids Kennedy was born in 1781. This deponent does not know where his father & mother were married but supposes it was Burnt Hills or Ballston. There was a family record kept and his sister Sarah Spencer now has it as he supposes. His father lived at the Burnt Hills in Ballstown New York during the Revolution. Since the remembrance of this declarant his father sent to Ireland and obtained the register of his birth.

He further deposes and says that his father the said John Kennedy died at Broadalbin June 10<sup>th</sup> 1831 that soon thereafter this deponent went there and that on that occasion he found a copy of the family register made according to his present impression by his father & in his handwriting except the name of his sister Polly Kennedy which appears to be in a different handwriting. This paper has been carried in the Pocket book of this declarant ever since & is very much worn the top being entirely gone. It contains [?] the names & dates of the births of all the children of the said John Kennedy & Hannah Kennedy now both deceased. To identify said paper this deponent has written his name thereon—

This deponent further says that the only surviving children of the said John Kennedy and the said Hannah Kennedy both deceased are this deponent whose name is John Kennedy and Sarah Spencer a resident of Gains Orleans County New York widow of Christopher Spencer and Abigail Mills widow of Frederick Mills who resides in Mills (now Fulton County) New York.

This deponent further deposes and declares that the object of this declaration is to obtain for himself Sarah Spencer and Abigail Mills only surviving children of John Kennedy and Hannah Kennedy the pension which the said John Kennedy was entitled to at his death under the act of 15<sup>th</sup> May 1828 from the 3d day of March 1826 to the 10<sup>th</sup> day of June 1831 and the amount of Pension his mother was entitled to under the 3 section of Act of 4<sup>th</sup> July 1836 from said 10<sup>th</sup> day of June 1831 to the 3<sup>rd</sup> day of May 1846 & for this purpose this declarant has appointed Adriel Ely of Watertown New York his attorney to present the aforesaid claim & obtain certificate or certificates therefor o& do all & carry out measures to be done with power of substitution hereby confirming & ratifying all that this his attorney may of right do.
